Her band *Fairground Attraction* had huge international success and number one hits with *'Perfect'* and debut album *'First of a Million Kisses'* which stormed the charts in the late 1980s.

Throughout her successful solo career, Eddi has released consistently great works, including highly acclaimed albums such as *'The Songs of Robert Burns'* and last years *'Cavalier'*. She has won Brit Awards, been awarded four honorary degrees, an MBE, sung to millions on some of the world's greatest concert and festival stages and collaborated with a host of stars across a myriad of genres including Folk, Jazz, Pop, World, Punk and even Classical work with various orchestras.

Also For Roaring

SAT 26TH FEBRUARY | 8pm

Tickets: €18 / €16

VENUE: BELLTABLE

Also for Roaring is a catfish banana. A puff of powder. An excruciating silence. A hilarious performance experiment about three people trying to make sense of the modern nightmare world.

Veering between desire and disillusion, they ponder whether it makes more sense to accept or reject the Strokes status quo, or whether it's easier just to dance. To make up words. To watch cat videos. To gather inspirational quotes. To craft our own tiny kingdoms of order.

This is a performance for anyone who has wondered about their own potential. Who has found themselves staring into a screen screaming thinking 'what am I *actually* doing?' Who enjoys a steaming side of provocation with their tepid bowl of entertainment.

Inspired by YouTube, Dadaism, TedX, Zygmunt Bauman, Kenneth Goldsmith and the excruciating inanity of our own daily lives, Also for Roaring upends some conventions of traditional theatre by playing with collage, mistimings, absurdity and a strict rejection of Alanis Morissette logic.

'What we are celebrating is both buffoonery and a requiem mass'
- **Hugo Ball**

Created with support from **Arts Council Ireland** and **Galway City Council**.
Developed as part of **MAKE 2019** and **Galway Theatre Festival 2019**.
